4.00pm - 4.45pm

Every Body Can Move

Wednesday Class

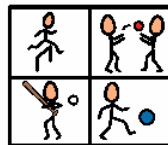

Feb 3 - Mar 24
1.00pm - 1.45pm

Happy New Year!

The Santa's Grotto event was a massive hit last December with a record 1036 participants over 5 days. Friday proved to exceed any day in Santa's Grotto history with 305 Christmas enthusiasts in the space of two hours. Thanks to all of you who came along. 2010 should be another exciting year with our new movement system being installed. Due to some unforeseen circumstances the installation planned for January did not go ahead. Although the project is delayed, we aim to have the new piece ready to go in the next few months.

Every Body Can Move

Interest in our new fundamental movement programme has been positive. The Every Body Can Move programme has been designed to support individuals to develop

foundation motor skills through fun and inclusive activities. All activities are skills based and will help prepare participants to progress into other recreational opportunities. Starting Wednesday 3rd February.

Birthday Parties

Don't forget that the Southern Centre is an excellent venue for a birthday party. We provide birthday themed sessions with balloons and a personal message.
