Due to construction some of these classes may be in a different room within QEII. Our Apologies for any inconveniences

Farewell Nicole

The Southern Centre is losing a valued member of the team. Nicole is off on a new adventure. The Southern Centre team is going to miss Nicole enormously, after all her fantastic work in All Feet Can Dance, training workshops and sessions with her regular clients. Nicole's last day will be the 9th of April, don't forget to say good-bye.

New Staff

Louise will be changing from part-time to full time hours and the Southern Centre is currently recruiting for the part-time position.

New Sensory Corner

We finally have the green light to go ahead and install the new movement corner. We are still finalizing our timeline but there might be some disruptions between the end of April through to June. We aim to keep the centre open as much as possible, with a possible two week closure. We will contact those who have made bookings and who will be effected. Please bear with us while we install the new equipment to keep the Southern Centre an innovative world class Multi Sensory facility.
