Thursday Class

July 30 - Sept 17
4.00pm - 4.45pm

Multi Sensory

Training Workshop

Tuesday 18 August
3.00pm - 5.30pm

Kids Fest!

For the first time ever, the Southern Centre has participated in the annual Kidsfest event that is held during the July school holidays. This has been a fantastic opportunity to promote the Southern Centre as a recreational opportunity with a difference.

In the first week of the holidays we have had almost 470 children and parents through the facility, while still accommodating our regular clients. This is great exposure for the Southern Centre, with the aim of spreading the word of what we can offer!

Great News...

The Southern Centre has recently had some excellent funding news for our next project of the Movement Sensor System. Thanks to the fantastic support of The Southern Trust and The Canterbury Communities Trust, we have been granted \$70,000 towards this next

project. With only a further \$20,000 to be found, we hope to have this new piece installed over the quiet Christmas period. Hopefully 2010 will kick off with this excellent re-development and provide a new experience for our clients.

Winter!

Don't forget the winter months are a busy time for the Southern Centre.

Book in early for your sessions, so you get your preferred time!
